

## ANNOUNCEMENTS

### **ANNUAL RATE NOTICES**

Annual rate notices will be mailed the end of June. Please do not confuse your new rate with your current rate for this quarter (2/09). The rate on this quarterly return is correct and should NOT be altered or changed.

### **HEALTH CARE REPORTING**

Health Care reporting is required on ALL reports (Lines 16 and 17), even if your FTE count is zero. Leaving these lines blank is considered an incomplete report and could be subject to a \$35.00 penalty.

### **REQUIREMENT TO REPORT WAGE RECORD INFORMATION ELECTRONICALLY**

For all employers with more than 25 employees, we are moving in the direction of requiring electronic filing of the Employer Quarterly Wage and Contribution Report. This will likely impact 2009 reporting. There are currently four methods of accomplishing this:

- **\*\*NEW\*\* Employers with more than 250 employees can now file on line** – call 802-828-4253 for more details.
- **VERMONT INTERNET TAX AND WAGE SYSTEM (VITWS)**. This method of reporting handles all phases of your quarterly reporting. If you have not registered or used this on-line application please take a few minutes to check it out. You can learn more about it at <http://www.labor.vermont.gov/Default.aspx?tabid=430>. If you have registered, but have not filed, and have questions and/or want someone to walk you through the process when you are ready to file, just give us a call at (802) 828-4344 and we'll be glad to help you file it on line.
- **MAGNETIC MEDIA**. This method only applies to the reporting of wage records. Therefore, it will still be necessary for you to submit the bottom portion of the quarterly report, with payment in full of any unemployment and health care contributions due. Please see our web page at <http://labor.vermont.gov/Default.aspx?tabid=171> under "UI Employer Forms" for Forms C-19 and C-31 for the formats that can be used.
- **3<sup>RD</sup> PARTY APPLICATION**. This application is available only to those 3<sup>rd</sup> parties who are submitting reports on behalf of their clients. 3<sup>rd</sup> party reporters may obtain further details about this application by calling 802-828-4253.

**WORK SEARCH VERIFICATION FOR UNEMPLOYMENT PARTICIPANTS:** Please be advised a Claims Center representative may contact you as we have stepped up verification reviews' of work search efforts. Employers retaining information on who and when someone has applied for work is a critical component of this process. Your assistance is appreciated.
